ORDER:

The new State of Andhra Pradesh has drawn up ambitious plans to develop the State as an Innovation Society of global repute and has been aggressively working towards realizing this vision. Capitalizing on the inherent strength of the State, in terms of availability of skilled manpower and factoring in the potential to generate Employment, Government has been giving special focus to the development of Electronic and IT industry and for promotion of innovation in the areas of EGovernance, Electronics & IT. As a first step in this direction, Government has come up with three attractive policies for the development of ICT Industry in the State – (i) IT Policy (ii) Electronics Policy (iii) Innovation & Startup Policy basing on four pillars namely, Infrastructure, Incentives, Human capital and Good Governance.

For rapid development of ICT industry in the State, Government is adopting Mission Mode approach. In this pursuit, three Entities namely eGovernance Authority, Electronics & IT Agency and Innovation Society have been constituted. The (3) Entities shall be registered as Societies under Societies Registration Act 2001. National Institute for Smart Government (NISG), an Autonomous Agency of Government of India has been assigned the task of setting up of these Societies and to select the Chief Executive Officers for Electronics & IT Agency and Innovation Society. To finalize the selection process of CEOs, Government hereby constitutes the below interview boards for eGovernance Authority and Innovation Society:
